## Sports Paperwork:

- Please visit <https://www.hillsboroughschools.org/athleticforms>
  - Here you will click to “Expand All” for the Middle School Athletic Forms
    - You will see a list of 4 things to complete and gather before setting up your accounts on Planeths.com a.k.a. Student Central or Big Teams
      - EL2 Physical Form (you can download a copy of this right from here)
        - This form will need to be completed by a doctor (you can simply go to any walk-in clinic to have it done for around \$20) or make an appointment with your primary.
        - Make sure that the doctor has checked off on the 2<sup>nd</sup> page of the document “Cleared without limitations”
        - Make sure doctor has signed and dated the form on the 2<sup>nd</sup> page
        - Make sure the doctor’s office has **STAMPED** it as well (this is an ink stamp)
        - Remember, this form is **DIFFERENT** than the Entry to School form and Shot Records. (Those will not work!)
      - Three required FHSAA Videos
        - students are responsible for watching the videos, **NOT** parents!
        - The account **MUST** be made in the student’s name so that their name is the one showing up on the certificates of completion.
        - Each video runs about an hour
        - To register for each (**FREE**) video, you have to click “Purchase.”
          - I promise it is **FREE**, just go through the check-out process

- Purchase Insurance
  - The district mandates that anyone trying out for a school sport **MUST** purchase the \$25 school insurance.
  - This is a non-refundable purchase; however, it lasts for the entire school year (so for example if you purchase it for basketball, it will still be good for flag football at the end of the school year)
  - Once you have purchased it, you will want to download the insurance card (this is what you will be uploading once on Planeths.com)
- Government issued photo ID
  - The name on the ID **MUST** match the name on the account/parent who completes the online registration
- Once you have gathered all those items, you are ready to create your accounts for Planeths.com a.k.a. Student Central or Big Teams
- **Studentcentral.bigteams.com**
  - Two accounts **MUST** be created
    - One for the parent/legal guardian
    - One for the student
    - These accounts will then be linked together
      - To do this, log into the account, click link accounts, put in the other account's information, and then go to email and click approve.
  - Once accounts have been linked, you are ready to upload your documents.
    - Simply follow the prompts on the screen
    - Some pages, you will upload documents (like the ones you gathered earlier)
    - Other pages, you will type in the information required
    - **IF** your child is **UNDER** the age of 13, they are **NOT** required to sign the pages

- **IF** your child **IS** 13 years of age or older, they **ARE** required to sign the pages
- Once **ALL** pages are complete, you will get a notification that your paperwork is Awaiting Staff Approval
  - Expect a 1–2-day turn-around for approvals
  - If there is something wrong/missing, you will get an email notification that your paperwork or at least part of your paperwork has been declined. (a message about what is specifically wrong will also be in this email)
    - Simply fix the mistakes, and resubmit for approval
