

Randall Middle School

Club and Activity Descriptions

Drama Club

Contact: Nina Morales (Nina.Morales@hcps.net)

Drama Club helps build personal confidence as participants step out of their comfort zones and into the roles of different characters. Through a series of monologues, group skits, and our end-of-the-year production, this club helps students display hidden talent. From improv to memorized lines, students will have the opportunity to learn what it takes to make it to the big stage.

Extracurricular Sports

Contacts: Rebecca Smith (Rebecca.Smith@hcps.net)

Sports by Quarter:

- 1st Quarter – Boys & Girls Basketball
- 2nd Quarter – Boys & Girls Volleyball and Boys/Girls Track
- 3rd Quarter – Boys & Girls Soccer
- 4th Quarter – Boys & Girls Flag Football

Available to 6th, 7th, and 8th grade students on a tryout basis. Students must submit all required paperwork online by the established deadlines each quarter. Parent information meetings are held twice each year for Semester 1 and Semester 2 sports.

Future Business Leaders of America (FBLA)

Contact: Tanya Delgado (Tanya.Delgado@hcps.net)

FBLA is the premier organization for students preparing for careers in business. Through FBLA, members gain a competitive edge for career and college success. Students develop leadership, business, and career skills through a variety of activities while contributing to the improvement of their community.

Available to students in Ms. Delgado's or Ms. Sampson's classes.

Fellowship of Christian Athletes (FCA)

Contact: Allison Garlock Allison.Garlock@hcps.net

Come fellowship with other students, play games, and build friendships. FCA provides a welcoming place where students can receive encouragement and discuss ways to navigate real-life challenges.

Future Farmers of America (FFA)

Contacts: Brittany Andrews (Brittany.Andrews@hcps.net) and Laura Ferrell (Laura.Ferrell@hcps.net)

FFA helps students develop leadership, teamwork, and career skills through activities such as public speaking, agricultural competitions, and community service. Students also have opportunities to participate in animal projects with pigs, sheep, chickens, or goats.

Open to students enrolled in Agriculture classes.

International Club

Contact: Manuela Young (Manuela.Young@hcps.net)

International Club welcomes students interested in learning about countries around the world, including their cultures, customs, food, music, literature, and traditions. The club celebrates diversity while promoting understanding, unity, and appreciation for cultures around the globe.

JROTC Club

Contact: Destiny Connolly Destiny.Connolly@hcps.net

The Randall JROTC Club introduces students to leadership skills through engaging team-building activities. Students learn about military organizations, community service opportunities, and the benefits of participating in JROTC programs during high school and beyond.

Kindness Club

Contact: Tammy Guillet (Tammy.Guillet@hcps.net)

The Kindness Club (Aloha!) is a student-led organization focused on improving school climate through acts of kindness. Members meet one to two times each month and participate in welcoming new students, building friendships, and serving both the school and community.

Robotics

Contact: Stevie Hodgkins (Stevie.Hodgkins@hcps.net)

Build and program VEX robots while working as a team to prepare for exciting robotics competitions. Students gain valuable engineering, coding, and teamwork skills while making friends and having fun.

Science Olympiad

Contact: Summer DeDea (Summer.DeDea@hcps.net)

Science Olympiad gives students the opportunity to explore a variety of scientific disciplines through engineering challenges, hands-on activities, and academic competitions. Members work together while expanding their knowledge and problem-solving skills.

Sea Perch Team

Contacts: Stevie Hodgkins (Stevie.Hodgkins@hcps.net)

Sea Perch is an underwater robotics team where students design, build, and test remotely operated underwater vehicles while preparing for competitions. Members develop engineering, teamwork, and problem-solving skills through hands-on learning.

Speech & Debate Team

Contact: Daniel Klemm (Daniel.Klemm@hcps.net)

Speech & Debate helps students strengthen their public speaking, writing, research, and critical thinking skills while competing against schools across the state. Students

gain confidence and valuable experience that prepares them for school, college, and future careers.

STEM Club Academy

Contact: Stevie Hodgkins (Stevie.Hodgkins@hcps.net)

Explore the exciting world of STEM through engaging activities including rocketry, microbiology, Rubik's Cubes, graphic design, computer science, coding, and much more. STEM Club encourages creativity, innovation, and teamwork while inspiring students to discover new interests.

Student Government Association (SGA)

Contact: Sandy LeFevre (Sandra.LeFevre@hcps.net)

Student Government promotes leadership by giving students opportunities to help plan school-wide events including Red Ribbon Week, Angel Tree, and Spirit Weeks. Officers are elected each fall, and homeroom representatives serve as student leaders throughout the school year.

Thurgood Marshall Club

Contacts: Michael Oliver (Michael.Oliver@hcps.net) and Aaliyah Williams

The Thurgood Marshall Club provides opportunities to develop awareness, promote understanding, and encourage discussions related to African American culture and history. Members participate in community service projects, compete in the District Black History Brain Bowl, and help organize the school's Black History Month celebration.
